Dear Student & Parent/Guardian,

Thank you for your interest in applying to the Northern Borders Academy. Since the formation of the Academy in 2015, our mission has been to provide the North Country's most promising students with an array of opportunities to excel both personally and professionally. Through our partnerships with North Country Community College, multiple area school districts, and nearly a dozen local industry partners, the Northern Borders Academy has quickly gained a reputation for excellence across the region.

Students who gain admittance into the Northern Borders Academy reap a variety of benefits that no other program can match across the State. The promise of obtaining a High School Diploma, an Associate Degree from North Country Community College at no personal cost, and a network of supportive industry professionals has attracted a growing number of applicants.

As you begin completing the attached application for enrollment into the Academy, I encourage you to visit our website or call with any questions you may have. Whether your career interests lie in the fields of Health Care or Criminal Justice, the Northern Borders Academy is committed to seeing each of our students graduate with a successful career path ahead of them.
